Comments:

Overall the team wrestled well at Huskerland State. Morgan Denson finished the year as a Mat Master for winning his fourth Champion of Champion Bracket. He is the 5th Millard South Wrestler to become a Mat Master. 47 points turned out to be only 4 points shy of last year's production which is quite good for the very young Millard South squad. The team only loses 3 placers from this year's team. 7 champions return next year as does Derek Schave who was a champion two years ago. Derek was out most of the year with a broken ankle.
