On December 23rd a group 18 Patriots stormed the den of the North Omaha Bears at Omaha North High School. This was a small tournament of about hundred-fifty participants, but it was of high caliber competition. Some of the teams that were present were the North Omaha Bears, the Exploratories, the Sherman Challengers, and of course our own Patriots. More than half of our wrestlers were in the finals. At least half of those that were in the finals were crowned champions. This was a spectacular showing for the Patriots before a long break for Christmas.

2006 Heartland Folk Style Championship – Sioux City

On December 16 th the Patriots sent out a small squadron of six wrestlers. These six wrestlers ventured to Sioux City, Iowa to represent our club in the 2006 Heartland Folk Style Championship a.k.a "RUMBEL BY THE RIVER". Five of the six made it to the finals and three out of those five were crowned champion. This was a great day for the young Patriots for they fought hard and finished strong. The competition was 397 strong and there was representation from 97 teams from states like Iowa, Nebraska, South Dakota, Missouri, and Minnesota. When this group of weary warriors returned home, they were elated to find out that one of their comrades, Isaac Deloa had won Outstanding Wrestler for the eight and under age group. This was a fine finish to an already tremendous juncture. Congratulations to Isaac and the rest of the Patriots for their outstanding performance!

Holiday Tournament - Millard North

The Patriots began the 2006-2007 season by venturing to the home of the Millard North Mustangs for the Annual Holiday Tournament. This is one of the most challenging tournaments in the state. The competition is from all regions of Nebraska and Iowa and the age span of the competitors in the brackets could be two years at times. The Patriots sent a squad of 26 wrestlers and place 8 (30%) in the finals. Overall, the club medaled 15 (57%) in the top four placings. This was a good start for the young patriots and gave the coaches a chance to assess the technique and stamina of their wrestlers.
