As the year draws to a close for the varsity, the Annual Metro duals is always a feature competition right before districts. This year the Patriots came in as the second seed in the tournament looking to unseed top ranked, Creighton Prep to win the Dual Championship. In the first two rounds, the Patriots looked solid winning 11 of 14 contests in both duals. In doing so, the Patriots racked up impressive point totals. In the final round the contest between the Patriots and the Jr. Jays proved to be an epic battle. The Jr. Jays squeezed out a narrow victory by a scant 2 points to take home the prize. Finishing undefeated on the day were: Jake Miller, J.J. Zekpa, Tyler Stender, Large King, and Sheldon Garcia.

This is something we are going to have to put behind us,” Said Coach Denson
