"We were very pleased to come out of the Nebraska Duals with a 7th straight championship. It is very difficult to wrestle 10 duals in two days, but to the credit of our wrestlers, the team performed well each and every dual. Five wrestlers finished undefeated and on the all dual team. In no dual did the team lose more than three matches." Said Coach Denson.

"We like to use the Nebraska duals as an opportunity to get a lot of experience in a short amount of time." Said Coach Meneely" From the very first dual to the very last dual, our guys kept getting better and better."
