Comments:

The Patriots traveled to Burke for the Burke Invitational losing the championship by a scant 3.5 points to host Burke. 13 out of 14 Patriots finished in the top 6 to medal on the day. Millard South finished with 5 wrestlers in the finals, and two of those were crowned as Champions.

“Overall, the team showed a lot of depth as we placed 13 of 14 wrestlers in the medals. It was disappointing, however, to lose the tournament by one match. We left a lot of wins on the mat throughout the day. It just seemed like we were a little flat coming off of Metro and the Columbus Dual. Jake Miller and Large King both did a great job of bringing home Gold,” Said Coach Denson.

“This team just hasn’t put it all together, yet. Every meet, we have some guys who rise to the occasion, while others seem to take steps back. If we ever get our team hitting on all cylinders, this team has a chance to be pretty good,” Said Coach Meneely.
