The freshman attended the Papillion Lavista South Quad on Monday, January 25, 2010. The team competed well, but they were shaky at times during their matches. The team recorded 12 pins out of there 25 matches and won 16. Only three wrestlers didn't make it into the top four of their weight class, and we had 6 out of the 11 go unbeaten.

We had a few important highlights to mention from the meet. Griggs and Quandt had a couple of close calls in one of each of their matches. Griggs was winning when he got lateral dropped to his back, but battled his way back into the match and won by a count of 9-6. Quandt had some troubles finishing his takedowns, and went down to the wire with the match tied at four in the third period. Nate took his opponent down with a low-single, and rode him out to win the match. Heatherington, Sears, Marin, and Curren walked through their weight classes straight to the top securing their victories by way of pin.

Overall it was a successful night for the freshman as they look ahead to their next tournament this Wednesday with the sophomores at Omaha Gross.
