The Patriots fought hard throughout this entire tournament. Some people thought it was all but over for the Patriots after the semi-final round in which they won just 3 out of the 9 matches. But, the team responded by losing only 2 matches in the next 2 rounds to finish the tournament on top by a comfortable margin. The three wins in the semi-final round came courtesy of Jordan, Ray and Marcus.

Teams from all over the Metro Conference were represented here. The Patriots learned how to battle from start to finish and to never quit. All of the wrestlers are showing improvement from the beginning of the year.
