

## **Howell's JV Dual Tournament**

The Millard South JV team went to the Howell's Varsity Dual Tournament on Saturday, December 5. A dual tournament is different from a regular tournament because the team wrestles in five duals on the day instead of individual brackets for each wrestler. In the preliminary pool, Millard South's JV team won all three pretty handily. Their first victory came against Osceola by a score of 78-6. Their second victory came against Ponca by a score of 66-18. Their final preliminary dual decided who would go to the gold pool and who would go to the silver pool. Millard South won that dual against Wakefield by a score of 65-18.

They kept their dominant ways rolling into the gold pool against the teams of Elgin-Pope John and Malcolm. Wrestling Malcolm first, the Patriots cruised to a 42-29 victory. The final dual of the day would decide the champion and runner-up for the tournament. It was a seesaw battle between the Patriots and the Wolfpack of Elgin-Pope John. The Patriots finished on top, though, by a final score of 42-36. All day, the Patriots lost only 18 matches and won over 50 in their dominating run for the team trophy.
