### NOTES:

The Patriots hosted the Lincoln Northeast Rockets on Senior Night at Millard South. The Patriots used 6 pins on the night to seal the win. The Patriots move their dual record 14-0 on the year with the win. The Patriots are currently ranked 3<sup>rd</sup> in the state as a dual team.

“Our team continues to wrestle well as a dual team. There is something extra special about wrestling in and winning duals. The crowd gets to see wrestling in a team concept. I have always liked how the team can really get behind their teammates during each and every match. At times it seems like there are 14 or 15 coaches out there,” Said Coach Denson.

“I was really happy to see our kids get into pinning mode. We like to think of ourselves as pinners. Any time you can get 6 pins in a dual, you are making a statement. There is no greater win than a pin in wrestling,” Said Coach Olson.

“We started at 285, and Freeman Coleman really stepped up to set the tone. His pin was dramatic in motivating the team,” Said Coach Meneely.
