285	Freeman Coleman	3rd

Comments:

This is the second year the Patriots have traveled to the Quad States Classic. This is a tournament located in Maryville, Missouri. The tournament features teams from each of four states: Kansas, Nebraska, Iowa, and Missouri. The Patriots wrestled well at the Quad States Classic finishing over 100 points ahead of the 2nd place team. 13 out of 14 Patriots finished 3rd place or better. 9 Patriots made it to the finals with 5 of them earning championships.

“After the tough grind starting with the Millard West Tournament, then Metro and finally Burke, it is nice to get our kids out of the Metro area. Heading into districts, we want the kids to be fresh; seeing people we have never seen before always gets the kids into the right frame of mind!” Said Coach Denson.

“I think the guys showed positive improvement in this tournament. Any time you place 13 guys in the top three, you are doing something right. For the most part, the team came out to wrestle hard. It shows they are gearing up for districts and state,” said Coach Olson.
